

DON WYRTZEN

“MY PASSION IN GOD’S FAMILY IS TO
COMMUNICATE TRUTH FROM SCRIPTURE AND
FROM MUSIC THAT WILL TOUCH AND
TRANSFORM PEOPLE’S LIVES.”

POET OF THE PIANO

BIO

DR. WYRTZEN is widely recognized as a leading musician and statesman in Christian music.

He lectures on church music, worship, and hymnology

in many Christian colleges and seminaries.

The forte of this 'poet of the piano' is his virtuoso playing and improvisation.

You've probably heard some of the songs he has written, "Worthy Is The Lamb," "Finally Home," and "Love Was When." He has also arranged, orchestrated and conducted for major artists including Steven Curtis Chapman, Michael Card, Babbie Mason, and Andy Williams, and conducted the London Symphony Orchestra in Handel's Messiah and his own arrangements of Christmas Carols.

Don Wyrzten received an early start in music, radio and television while associated with his father, Dr. Jack Wyrzten, Founder of Word of Life International.

As a graduate of Moody Bible Institute, The King's College, and Dallas Theological Seminary, he did graduate work in music at the University of North Texas and Vanderbilt University with his doctorate from Southwestern Seminary.

Hidden within this artist is a wellspring of fresh creativity that seems bottomless. From it flows imagination, spontaneity, other qualities seldom found within the same individual.

To put it simply, Don Wyrzten is rare.
